

HEIGHT ADJUSTBALE TV STAND MOUNT WITH SHELF

Secure and display your LCD/LED television on Luxor's bestselling TV stand. The flat panel stand is height adjustable and holds a range of TV sizes, enabling it to accommodate multiple users within conference centers, trade shows, and businesses. Whether relocating between rooms or remaining stationary using the four locking casters, electrical cords are neatly tucked away and concealed through the main columns, ensuring safety and a professional appearance. Cater to both sitting and standing audiences with the durable and adaptable FP-series stands.

FP2500

- Sturdy steel frame is comprised of seamless pipes
- Fits 40" – 60" screen size TVs
- VESA compliance: 200 x 200 – 400 x 600
