PRODUCT DESCRIPTION

High Quality Compartment Sinks

High quality stainless steel sinks for your toughest cleaning tasks. Whether you need a drain board model or a stainless steel utility/prep basin, we have the right model for you. These one, two and three compartment sinks are perfect for washing, rinsing, and sanitizing. The 1-1/2" rounded front and side edges help contain splashes. The 18 gauge T-304 Stainless Steel is NSF certified and boosts optimum strength and durability. These sinks are safe for food prep. Stainless sinks all come with 1-5/8" galvanized legs with 1" adjustable high impact corrosion resistant feet, accommodate 8" on center faucets and have a 9” back splash. Select models come with 1/4" pitched drain boards to ensure proper drainage. Each sink has a 3-1/2" drain included. 36"H at sink front, 43-3/4"H at top of back splash. Uses fixture #250784 (faucet is not included). NSF Approved

ITEM #	# OF SINKS	BOWL SIZE	UNIT SIZE (L X W)	DRAINBOARD
